

Good morning everyone!

皆さん おはようございます。

This is Naozo Imahori , principal of Osaka YAMADA High School.

And other two teachers come here with me, Ms.Tsujimoto and Mr.Nakamae.

They are English teachers.

And this year, sixteen students of our school have come here.

First of all, I thank Ms.Helen hiotis ,principal of Bentlyigh,  
thank you very much for accepting us.

And I thank all of you for this wonderful opportunity in this nice school.

This morning, when I came here, I felt that the atmosphere made by all of you  
is very heartwarming.

We have had sister school agreement for 8 years.

Last year, twenty Bentlyigh students visited our school.

I think they are here now.

Where are you ? Please raise your hand.

Ummm, it looks like you grew up.

I have remembered the taste of your vegemite.

We are very happy to see you again.

And next year, some of you will come to Japan.

We welcome you coming to our school from the heart.

Now , let me introduce our school.

Yamada high school is a public school in Osaka.

It has about 1200 students for 3 grades and this number is the largest in Osaka.

Our school is near the Expo' 70 Commemorative Park.

So there is rich nature around our school and that makes us feel relaxed.

About 90% students belong to club activities,

such as baseball, track and field,dance, and so on.

They do club activities every day after school.

Last, I brought here souvenir from Osaka.

This is a Japanese traditional art craft. Please enjoy Japanese classical art.

I hope the relationship between Bentlyigh Secondary College  
and Yamada high school will last and develop more for a long time.

Thank you very much.

ありがとうございました。
